

IOP via Zoom

SSTAR's Intensive Outpatient Program is being offered via Zoom **5 days a week Monday-Friday 9am-1pm with 2 (15) minute breaks, starting October 4th, 2021.**

Expectations

- The confidentiality of our clients is of the utmost importance. In order to attend IOP you must be in a private area without anyone else in the room.
- Join the group on time and be prepared for the day. Treat it as if you were coming to group in person.
- It is a treatment day, so you are expected to stay on the call and be engaged for the whole time. Your video camera must be turned on. Be dressed and ready for treatment day
- Be respectful to others in the group.
- Prior to admittance to IOP client will need to do test call with staff to assure no technical issues with video, sound etc.
- Download the Zoom app to be ready for test call-we will send you the link on test call day-click on the link sent to you via phone-sign in as attendee-prompt for password if needed-then you will be placed in the waiting room for group.
- Please do not attempt to do test call until we have given you a date and time.
- Please call Kristine Cunningham for intake appt 508-235-7058
