

Recognition Program

Donor Recognition Plan

All contributions of \$1,000 or more to the SSTAR Saving Lives Capital Campaign will be permanently recognized in the facility in the Main Lobby unless the donor wishes to remain anonymous.

All gifts and pledges are confidential. Donors may choose to make their gifts in honor or in memory of another person, in recognition of specific events or accomplishments or they may choose to simply have their names engraved on the plaques. Contributors at higher levels may have particular areas of the center named to honor or memorialize individuals or organizations.
